Confession of Faith in a Mennonite Perspective

Unison Reading A

We believe in God the Creator of all,
who has called forth a people of faith.
We believe in Jesus Christ, the Word become flesh,
crucified and resurrected for us.
He is our Savior from evil and sin,
our peace and the exalted Lord of the Church.
And we believe in the Holy Spirit,
the source of redemption and life.

We who respond to Christ in faith are his church,
the community called to proclaim
and to be a sign of the kingdom of God,
the new people sustained by Scripture and Spirit.
Thus we continue the mission of Christ,
making disciples, forgiving, restoring,
baptizing believers, sharing the Lord's Supper,
using our gifts in unity and love.

We commit ourselves to follow Jesus Christ,
in his path through suffering to life.
By grace we are being changed into the image of God,
in which God created women and men.
As faithful disciples, we hear Christ's call
to life in the Spirit in relation with God,
to chastity, stewardship, love for the enemy,
to the practice of justice and peace.

We joyfully worship the three-in-one God,
as a holy nation, the people of God,
giving allegiance to Christ as our Lord,
living now as if in the age to come.
We place our hope in God's everlasting reign,
in victory over evil, the resurrection of the dead,
in Christ's coming again in judgment and glory.
To God be all glory! Amen!

Foreword

In the providence of God, the Conference of Mennonites in Canada (CMC), General Conference Mennonite Church (GCMC) and the Mennonite Church (MC) are discerning that their histories are closely entwined and that their ministries are moving together. Indeed in many areas our denominations have been working closely together for decades.

Together our three denominations acted decisively in three areas. First, we agreed to a common statement of our core doctrines as stated in the Confession of Faith in a Mennonite Perspective. Second, we adopted a broad vision to guide the implementation of our faith and life—Vision: Healing and Hope. Third, we decided upon a common polity statement to handle ministerial issues —A Mennonite Polity for Ministerial Leadership. This defines the way ministerial leadership is conducted in our congregations, area conferences and church agencies.

The *Mennonite Directory* brings together the leadership and the institutions created to carry forward the ministries to which God has called us. It is a snapshot of the way we work together as we close out the twentieth century. We commend this resource to you for your ministry in the church.

We wish to thank the publishing committee of David Linscheid (GCMC), Levi Miller (MC), and Robert (Jack) Suderman (CMC) who developed the policies and guided the process through which the editors, assisted by many others, created this volume which you now hold in your hands.

Preface by the Editors

We are pleased to present to you volume 1 of the *Mennonite Directory.* The new directory carries the church-wide/conference organizations, area conference, ministerial and other organizational information of the Conference of Mennonites in Canada (CMC), General Conference Mennonite Church (GCMC) and Mennonite Church (MC).

This volume brings together information that was heretofore published in the *CMC Directory, Handbook of Information* and *Mennonite Yearbook.* Its creation is the result of the cooperative effort of publishers and the staff from Resources Commission of CMC; and Division of General Services of the GCMC and the Mennonite Publishing House of the MC, plus the hundreds who supplied information about their organizations.

In section 1, the integration of church-wide/conference organizations of the three denominations reflected in their alphabetical listing. In sections 2 and 3 this volume recognizes the national entities within which the congregations and area conferences are located. Section 4 carries the Conservative Mennonite Conference, a separate North American body, with whom the Mennonite Church (MC) has held close ties over the years.

In section 5 readers are presented with a snapshot of the ethnic and cultural diversity in the church. Section 6 represents the growing edges where new entities are emerging. Historically such organizations have developed into area conferences, for example, the New York and the Southeast Mennonite Conferences of the Mennonite Church.

Sections 7-13 describe, through a listing of a variety of organizations and entities, the specific ways through which the church carries forward its ministry. Its presence in local, national and international settings is highlighted.

The *Mennonite Directory* is a basic tool for ministry. Since this is a new volume, readers will need to learn their way around in it. We want the information to be accessible to everyone. We welcome your comments on the work we have done. Please contact one of the *Mennonite Directory* offices. They are:

Vision

God calls us
to be followers of Jesus Christ
and, by the power
of the Holy Spirit,
to grow as communities
of grace, joy, and peace,
so that God's healing and hope
flow through us to the world.

Priorities

To follow Jesus Christ more faithfully we are called to:

- enrich our prayer, worship, and study of the scriptures.
- offer all that we are and have to God.

To grow as communities of grace, joy, and peace
we want to:

- call and nurture congregational leaders for ministry in a changing environment.
- practice love, forgiveness, and hospitality that affirm our diversity and heal our brokenness.

To live as people of healing and hope we are committed to:

- invite others to faith in Jesus Christ.
- seek God's peace in our homes, work, neighborhoods, and the world.

The denominational church assemblies adopted this vision for the Conference of Mennonites in Canada, General Conference Mennonite Church and Mennonite Church in 1995.

SECTION 1

Churchwide/Conference Organizations

These organizations were created by the Conference of Mennonites in Canada (CMC), General Conference Mennonite Church (GCMC) and Mennonite Church (MC) to carry out the ministries of the church. This section includes:

General Boards

Each General Board serves as a board of directors for the denomination it serves. The General Boards develop denominational policies which provide overall guidance to their expression in the life of the church. The General Boards are listed alphabetically by name.

Integration Related Organizations

Integration Related Organizations are created to guide the integration process. They implement the 1995 action of the denominational assemblies that the CMC, GCMC & MC integrate into one body. Organizations reflect denominational and area conference activity.

Conference/Churchwide Boards/Commissions/Divisions

These entities, accountable to their respective General Board, implement the programs of the denomination. These are listed in alphabetical order.

GENERAL INFORMATION

Year founded: 1860

Mission statement: The mission of the Commission on Education is equipping the church to communicate the gospel.

Purpose and function: The Commission on Education focuses on serving area conferences, congregations, and Christian educators in three ways. First, by providing training in age-specific ministries to communicate God's Healing and Hope to all people and to make disciples within a Believers' Church context. Secondly, by publishing curricula driven by our vision and confession and directed to age-specific needs. Development of curricula is completed collaboratively between Education Area Staff and Faith & Life Press staff. Finally, by distribution of resources within the Mennonite constituency and the broader Christian community.

PROGRAMS AND SERVICES

MMA offers expertise and assistance to Mennonites and other Anabaptists in pursuing stewardship solutions through its diversified insurance and financial services as well as charitable programs and fraternal benefits. Programs and services are as follows:
Insurance: Health, life, long-term care and disability income coverage. Plans for individuals and groups.
Financial Services: Mutual funds, annuities, Mennonite Retirement Trust (staff pension plan for congregations and church institutions), and asset management. Provides mortgages and other financing for institutions and congregations. AR investments are guided by socially responsible investing principles.
Mennonite Foundation: Planned charitable giving and estate planning consultation for individuals. Planned giving and investment advisory services for institutions. Offers seminars and other educational events. Serves the U.S. members of the General Conference Mennonite Church and Mennonite Church.
Fraternal Benefits: Matching grants, educational resources, stewardship ministries, and programs in mental illness and disabilities. Fraternal benefits are made possible because part of MMA is a fraternal benefit association, and money that would otherwise be paid in taxes is instead channeled to members and churches. Fraternal benefits do not increase members' premiums or fees.

SECTION 2

Geographical Listing of Congregations

Section 2 lists Mennonite congregations alphabetically by country, state/province, and the city in which they are located. This section includes all congregations listed in Section 3 Area Conferences and Congregations and Section 4 Related Mennonite Conference. The listing of these churches include the page numbers where readers may find full information about theses congregations. Many of these congregations also relate to an associate/ethnic body and/or to an area church organization.

Also included in this section are congregations affiliated with North American Mennonite bodies that may relate to Mennonite World Conference. These include Beachy Amish Mennonite Fellowship (BA), Bergthaler Mennonite Churches (BMC), Brethren in Christ (BIC), Bruderhof Communities (BC), Chortizer Mennonite Conference (CHMC), Church of God in Christ Mennonite (CGCM), Eastern Pennsylvania Mennonite Church and Related Areas (EP), Evangelical Mennonite Church (EMC), Evangelical Mennonite Conference (Canada) (EMCC), Evangelical Mennonite Mission Conference of Canada (EMMC), Fellowship of Evangelical Bible Churches (FEBC), Hutterian Brethren (HB), LaCrete Bergthaler Mennonite Church (LBMC), Mennonite Brethren (MB), New Reinland Mennonite Church of Ontario (NRMC), Old Order Mennonites (OOM), Reinland Mennonite Church of Canada (RMCC), Sommerfeld Mennonite Church (SMC), and United Zion Church (UZC).

Congregations that are members of independent area conferences are also included. In the past these held ties to the Mennonite Church. Formerly published in the *Mennonite Yearbook* (MC), these are now carried in the volume *Mennonite Church Information,* published by Christian Light Publications, Harrisonburg, Virginia.

Effort was made to secure complete and accurate information about each congregation listed. If there are errors or there is any missing data, please contact the area conference with which the church is affiliated and/or the Mennonite Directory office.

Area Conferences and Congregations

Section 3 lists area Mennonite conferences by the country in which each is located. Within each area conference churches are listed alphabetically by name.

Each area conference entry includes (1) organizational detail (2) general information and (3) congregations. The purpose of this section is to provide all information necessary to contact a given area conference and or a congregation. To facilitate this, the area conference office and primary staff is listed first. These are followed by the leadership, related staff and organizations. Information about the congregation is included to provide basic data about that church and its pastoral leadership. Address and other information provided is that which the church has designated for use in any official contact with the congregation. This may be the pastor's office or residence, meetingplace, church office, or another location.

A description of each item included in the congregational entry is as follows:

Name (ID number) (district or area number) (Affiliation/s) and membership
Holyrood (10074) (O) (NW) 151
Mailing address
9505 79th St, Edmonton AB T6C 2S1
Telephone; fax; email
403-466-3277; 403-465-7313;
email horsch@mph.org
(County) Location of meetingplace
(Lancaster) 2130 Main St
Name(s) of pastoral leader(s), title
Menno B Nite, Pastor
Sara Jane Simons, Co-Pastor

Should readers desire more information about a congregation, an error is noted or information is missing please contact the area conference office.

Area Conference Statistical Information, an Explanation

Area conference statistics are listed under the General Information segment of the area conference entry. The information is in four categories. Following are the statistics of the Conference of Mennonites in Alberta. See page 74.

Members: 2,165

These are the total members of congregations that designated Alberta as its primary affiliation.

Associated members: 253

These are the total members of congregations that relate to Alberta but hold a primary affiliation with another area conference or Mennonite body. Please note that Camrose, Pineridge and South Calgary have listed their primary conference as DA, Dual Affiliated MC and GC; Edmonton Chinese has listed its primary affiliation as IC Independent. The sum of their membership is 253. These congregations and their members are counted as part of the Dual and Independent summaries.

Congregations: 18

Like membership above, 18 congregations selected Alberta as their primary affiliation.

See listing of abbreviations of area conferences, ethnic, area and denominational bodies on pages 10 and 11.

Associated congregations: 4

As noted in Associated Membership the above four congregations relate primarily to another area conference, in this case, Dual and Independent.

Thus while 2,418 members in 22 congregations participate in the life of the Alberta area conference their official statistics will be counted as 2,165 members and 18 churches in all places where official counts are given. This policy is followed in order to eliminate duplicate reporting in member and congregational totals.

GENERAL INFORMATION

Mennonite Central Committee (MCC) shops are the result of constituent concern for human need, both locally and globally. Mennonite Central Committee is supported financially by the proceeds from 196 MCC North American shops. Shop volunteers meet local and global needs as they give gifts of time bringing life to pre-owned donated merchandise. Many MCC shops also support MCC's Ten Thousand Villages (formerly SELFHELP Crafts) program by providing markets for artisans who would otherwise be unemployed or underemployed.

GENERAL INFORMATION

Mennonite Central Committee helped pioneer the first Victim Offender Reconciliation (VORP) in Kitchener, Ontario in 1974. There are now about 300 programs in the U.S. and Canada with similar programs existing in England, Europe as well as other countries abroad. Programs with Mennonite connections are listed in this entry. These community or faith-based programs operate in cooperation with criminal courts to offer victims and offenders an opportunity to meet. These meetings, facilitated by trained community volunteers, allow participants to find out what happened regarding the crime, express their feelings, and work out a restiution agreement.

SECTION 8

Schools

The educational ministry of the Conference of Mennonites in Canada, General Conference Mennonite Church and Mennonite Church includes activity across the age span. The range of sponsorship encompasses local to church-wide/conference efforts. While some programs are directly responsible to agencies of church, others may be congregational. Some are independent but supportive of the educational vision of the Mennonite Church.

Canadian Mennonite seeks to serve the Canadian context of the integrating General Conference Mennonite Church and the Mennonite Church.

Canadian Mennonite is a bi-weekly Anabaptist/Mennonite periodical which seeks to promote convenantal relationships within the church (Hebrews 10:23-25). It provides channels for sharing accurate and fair information, faith profiles, inspirational/educational materials, news and analysis of issues facing the church. It succeeded Mennonite Reporter (est. 1971) in September 1997.

It is operated by Mennonite Publishing Service, which is made up in part by the following conferences: Conference of Mennonites in Canada, Conference of Mennonites in British Columbia, Conference of Mennonites in Alberta, Conference of Mennonites of Saskatchewan, Conference of Mennonites in Manitoba, and Mennonite Conference of Eastern Canada.

Notes:

1. Area conference totals for all categories are based on the actual reports of congregations who selected that area conference as their primary affiliation.
2. Total congregations and total members are sum of all congregations who selected the area conference as their primary or secondary affiliation.
3. The Dual affiliated MC and GC and the Independent Mennonite congregations were previously included in an MC and a GC area conference and often counted as members of both. In this directory, in order to eliminate duplicate totals, dual affiliated MC/GC and Independent congregational listings are treated as separate "area conferences".
4. No attempt was made to project 100% totals for any of the categories.

* This total includes all area congregations and members. Not all congregations are members of the CMC or GCMC. See those listed with an asterisk (*) in the area conference entry.
